

Level 8

Tomorrow: Your Future Adventure!

We are going to go camping!

Camping List

- Tent
- Marshmallows
- Flashlight

PLANNING & PREDICTING THE FUTURE

Use "be going to" for planned actions, like packing a tent or roasting marshmallows.

You will be an astronaut!

Use "will" to predict the future, like traveling to a planet or meeting an alien.

When I Grow Up... I will fly through space!

Apply future tenses to talk about long-term dreams and life goals.

Future Grammar Guide

Planned Future:
Be going to + Verb
(Example: I'm going to put up the tents.)

Future Prediction:
Will + Verb
(Example: You will have a robot.)

Future Necessity:
Must + Verb
(Example: We must leave by twelve o'clock.)

DESCRIBING & FINDING THE WAY

The Strongest and Funniest!

Use "the + adjective + est" to describe the most extreme person in the circus.

Finding the fastest way.

Use maps and "by + transport" (by bus, by train) to solve travel problems.

We must leave by noon!

Use "must" to show that an action is urgent or necessary to succeed.
