

Level 1: Let's Start

Greetings & Names

Practice saying "What's your name?" and identifying friends with "Who is this?".

Identifying Colors

Ask "What color is it?" and answer with "Yes, it is" or "No, it isn't."

Counting 0 to 10

Use the structure "How many are there?" to count objects like stars and pandas.

Exploring Computer Fun

Learn to identify technology by asking "What's this?" and "What's that?".

Alphabet Aa to Ll
