Package is powered by Walter™. Purchase options vary across countries. Speak to your Educational Consultant today!

- 15 books containing stories from around the world will develop values and entertain your child. The vocabulary in the story books will improve your child's reading and comprehension skills.
- 15 audio CDs with recordings of all the stories will help your child with correct pronunciation while teaching important values.
- Five finger puppets bring the characters in the stories to life, and a supplementary parenting book provides useful information for parents.
