

# Walter™ 3

## Contents Update Guideline

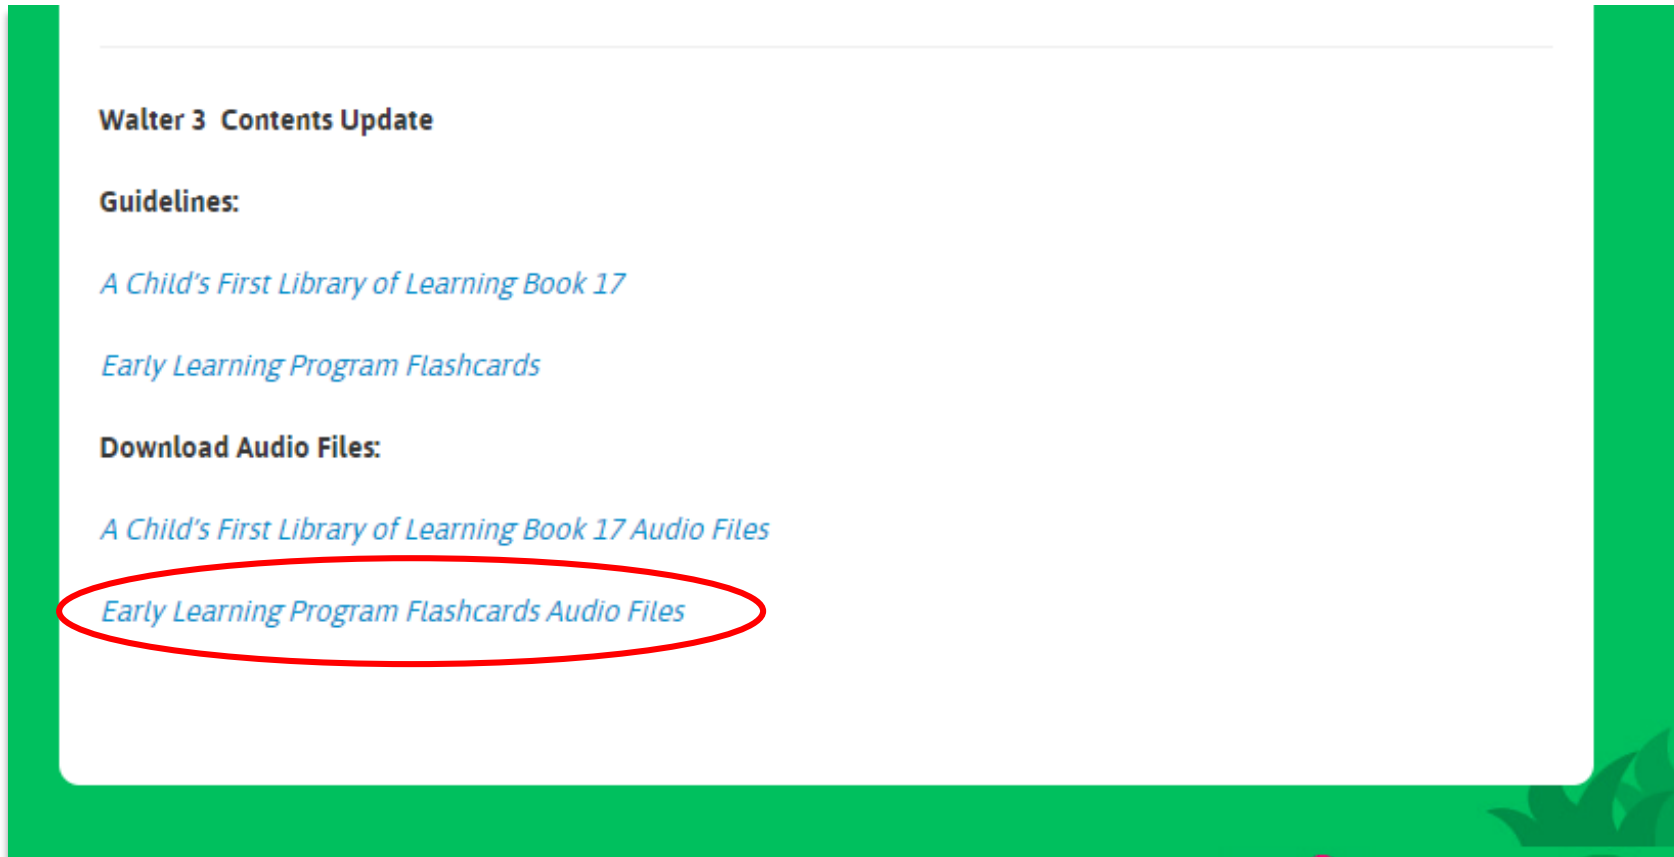

Early Learning Program Flashcards

## Step 1 Download the audio file

- Download the zip file, 'Early Learning Program Flashcards Audio Files', from the link below:

<https://www.etllearning.com/download-india/>

**Walter 3 Contents Update**

**Guidelines:**

*A Child's First Library of Learning Book 17*

*Early Learning Program Flashcards*

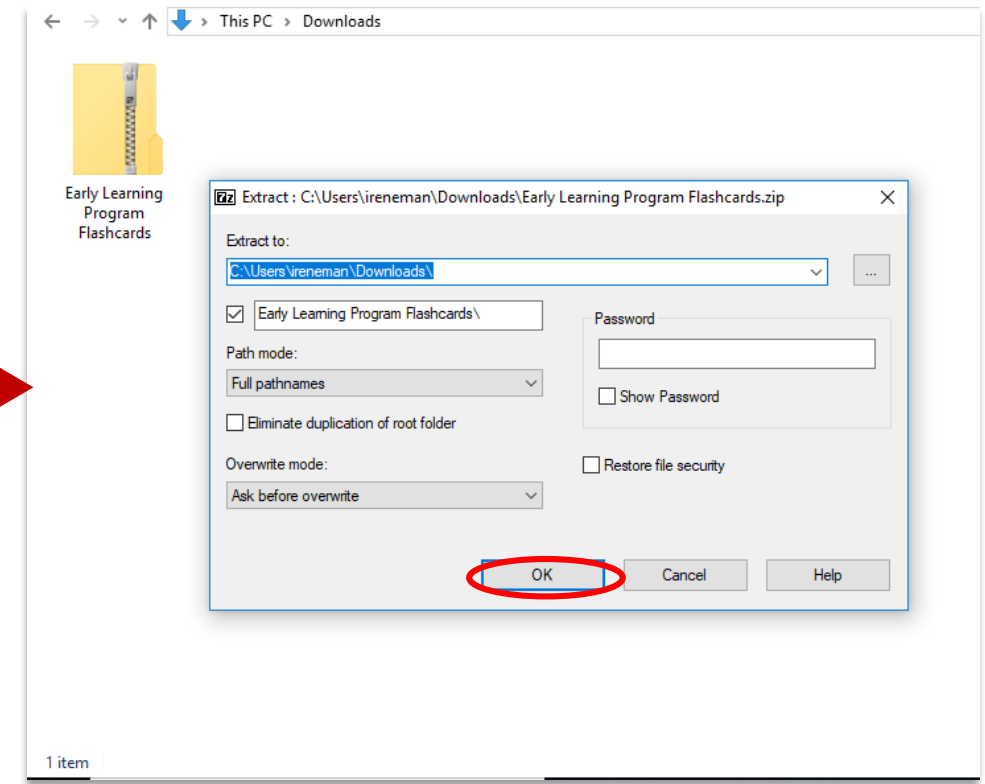

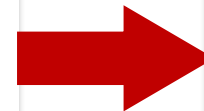

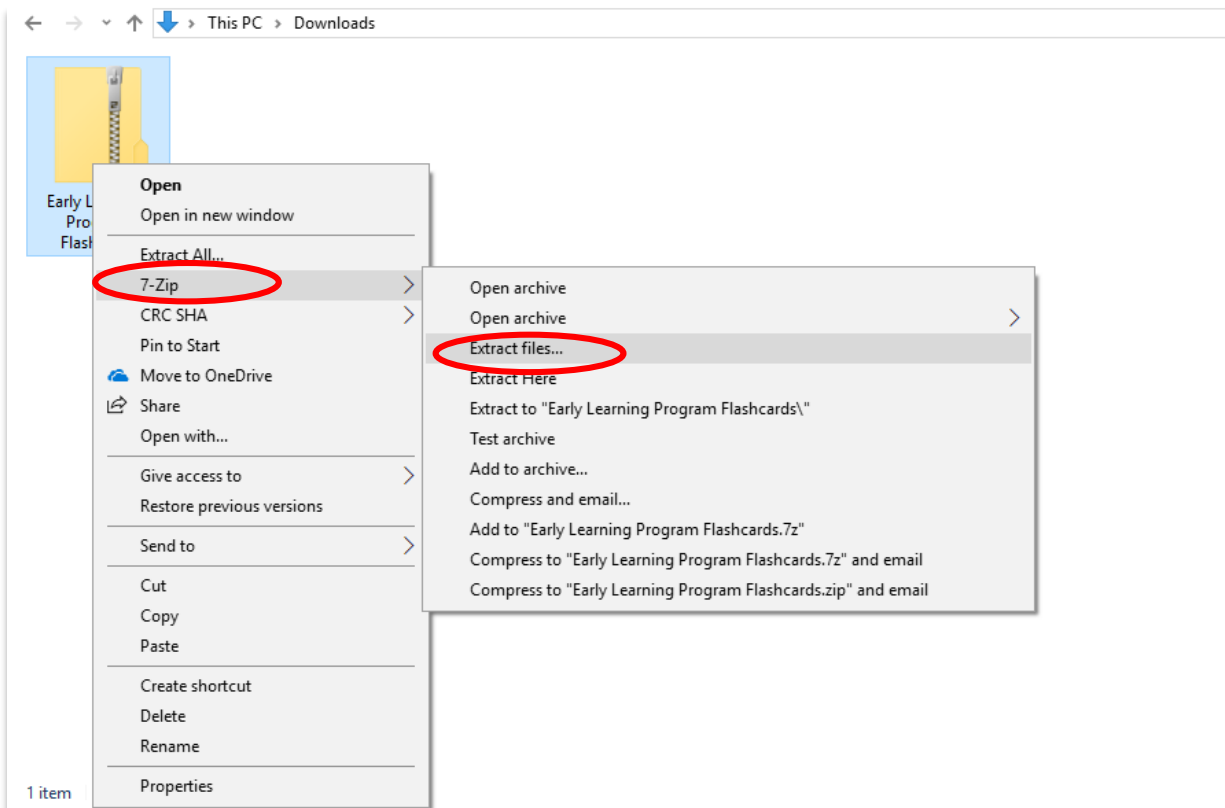

**Download Audio Files:**

*A Child's First Library of Learning Book 17 Audio Files*

*Early Learning Program Flashcards Audio Files*

## Step 2 Extract the zip file

- Right click the file, choose **7-zip**, choose **Extract files**, then click **OK**.

## Step 3 Connect your Walter™ 3 to your computer

- Connect your Walter™ 3 to your computer by using the Micro-USB cable provided.

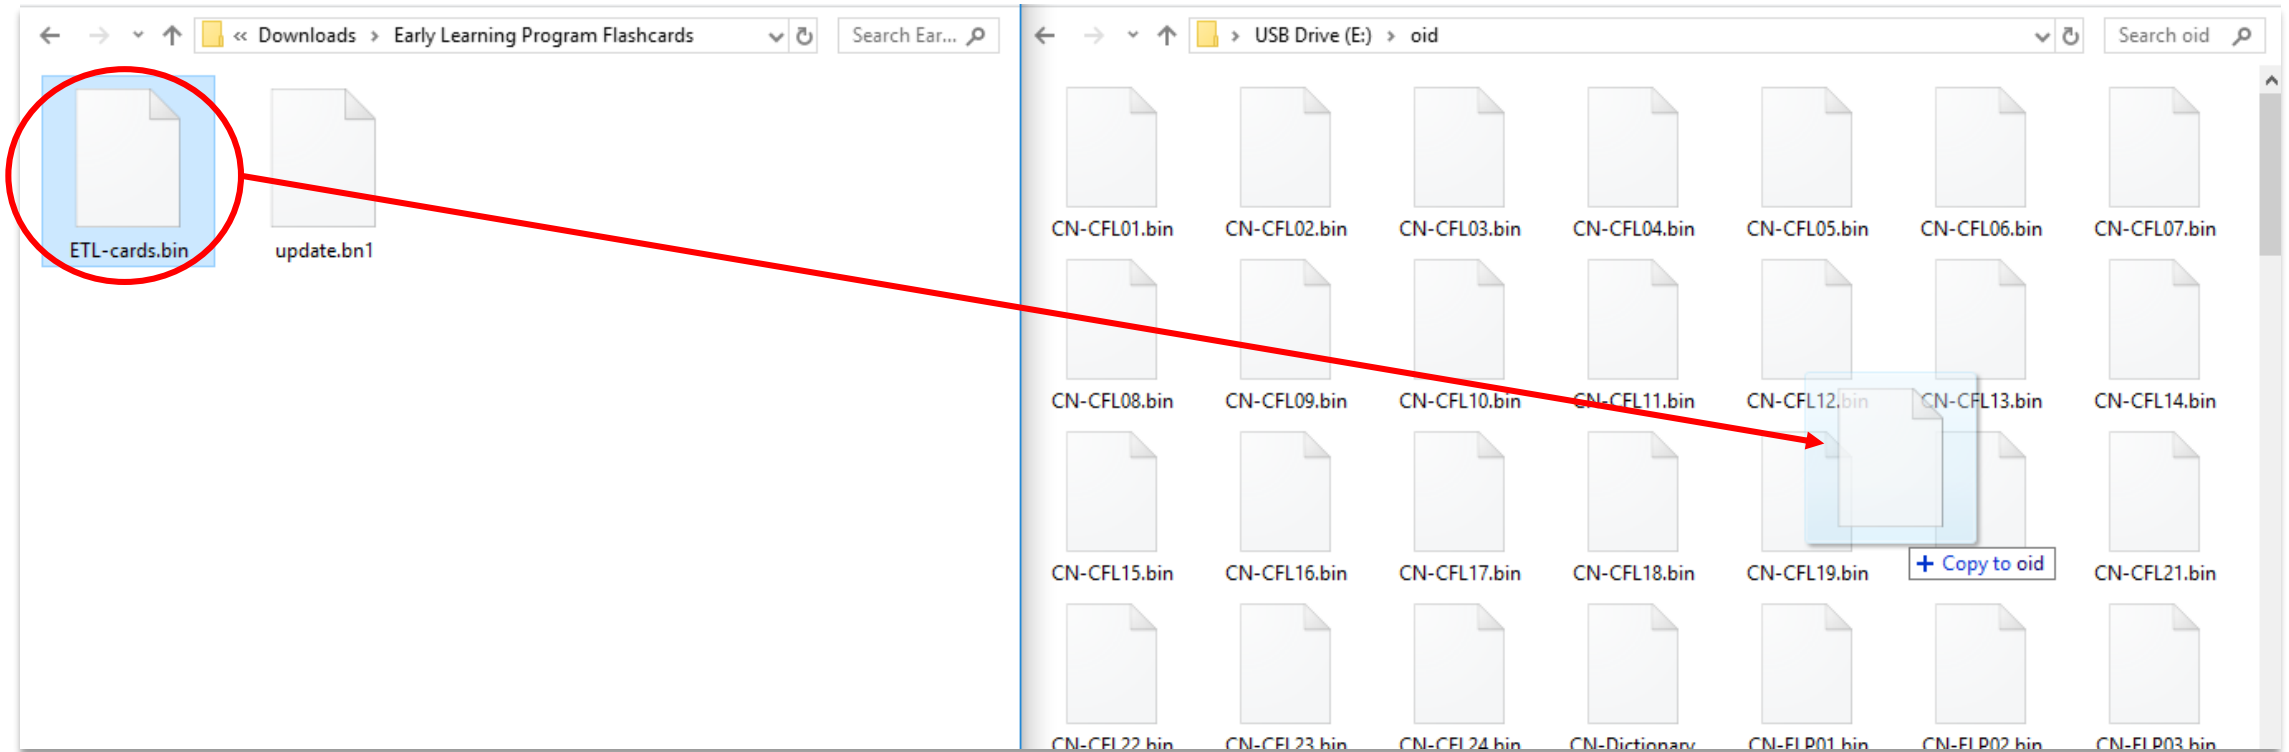

## Step 4 Open the folder named 'oid'

- Look for the connected Walter™ 3 (on either D: or E: drive), then open the folder named '**oid**'.

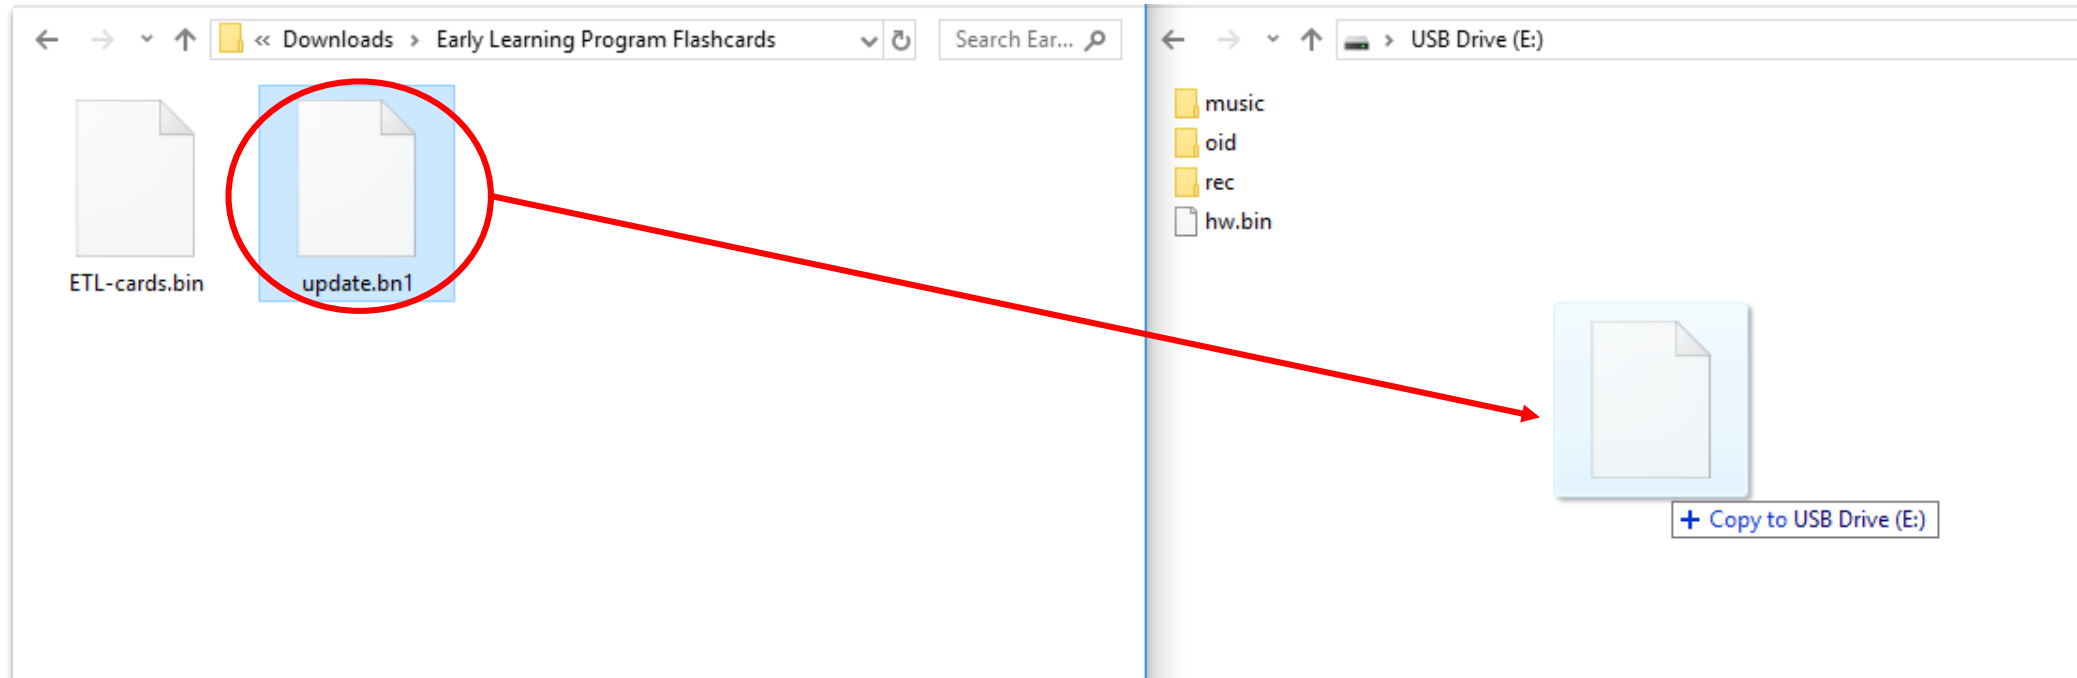

## Step 5 Copy the audio file to 'oid' folder

- Copy the extracted file, '**ETL-cards.bin**', to '**oid**' folder.

## Step 6 Copy the audio file to Walter™ 3

- Go back to Walter™ 3 (either D: or E: drive), then copy the extracted file, **'update.bn1'** to Walter™ 3.

## Step 7 Restart to update Walter™ 3

- Eject Walter™ 3 from the computer, Press and hold the power button until you hear **'Start update code'**. Release the power button. When you hear **'Update code OK'**, the update is completed and Walter™ 3 is now enabled to read the flashcards (The update will take about 2 minutes).

The End
